DEDICATION

Two students and one adult, please . . . telephone's ringing . . . my scalpel's not sharp enough . . . all sold out??? . . . but I wasn't tardy . . . hey, everyone passed . . . I lost my ticket . . . These are just a few of the hundreds of phrases heard daily for over 41 years by Mr. Kidder, one of Quincy High's most patient teachers. In addition to his teaching duties, Mr. Kidder has long been Faculty Manager of Athletics, coordinator of sports schedules, seller and collector of tickets, and, above all, a tremendous homeroom and biology teacher. As quiet as he is, he will never be forgotten by our class of 1967 . . . HAPPINESS IS dedicating our yearbook to MR. HAROLD KIDDER.

THE FUTURE TEACHERS' PLEDGE

I will keep my body well and strong.
I will study daily to keep my mind active and alert.
I will work to know the right and to live by it.
I will cultivate in myself goodwill, friendliness, poise, upright bearing and careful speech.
I will learn the art of helping others by doing helpful things daily in home and school.
I will fill my mind with worthy thoughts by observing all that is beautiful in the world around me, by reading the best books, and by associating with the best companions.
I will make my influence count on the side of the right, avoiding that weaken and destroy.
These things will I do now that I may be worthy of
of teacher.

**Before you accept
that first job . . .**

**Look over
your
employer
as carefully
as he does
you**

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

The experiences we have shared together have made many fond memories—memories that we will cherish as long as we live. We owe so much to you—the people with whom we have spent so much time: the people who have worked so close with us on school functions; the people who have been such great friends before and during these three years at Quincy High School; and finally the teachers and advisors who have guided and supported us on ventures that sometimes seemed impossible.

To all these and especially to the “Class of 67.” We are deeply grateful. Best wishes to all.

Sincerely,
Phil Adams, Mel Pforr,
